For middle aged ladies. They always had these weird going-out-of-business sales—

Summary

Arisa lost few years of her memory due to amnesia. Mari who was in a relationship with her was quite shocked as it happened all of a sudden but the one in question wasn't really concerned at all about her amnesia. Trying to make up for the lost memories, the everyday life of these "once-again-new lovers" make up for a fresh and exciting story. This is an earnest and a cheerful Amnesia Comedy!
